Who We Are

Founded in 1915 the Escondido Humane Society (EHS) is a regional animal care center providing animal care, adoption, education and protection services to the North Inland San Diego county. Our mission is to promote responsible pet ownership by teaching compassion and respect for all living creatures. Caring for more than 10,000 animals per year, we are committed to providing a safe haven for homeless pets until they can be placed into permanent, loving homes.

Why We Need Your help

As a private non-profit organization, the Escondido Humane Society is supported through contributions, grants, bequest, and your support of fund raising events like Paws in the Park. EHS depends on the generosity of the local community and people like you to continue saving as many companion animals as possible.

Team Up For Fun!

Form a "Pack" and multiply your fun by participating in Paws in the Park with your friends, family, coworkers, school-mates, and of course your dogs! Pack leaders recruit members to be on their pack and then help motivate pack members to raise money to support the shelter.
